

Promoting Access to and Delivery of New Health Technologies by Leveraging Technology to Build Sustainable Institutional and HR Capacity

**G H ★ N A | SUPPLY CHAIN
PUBLIC HEALTH | COMMUNITY**

Focus Country: Ghana

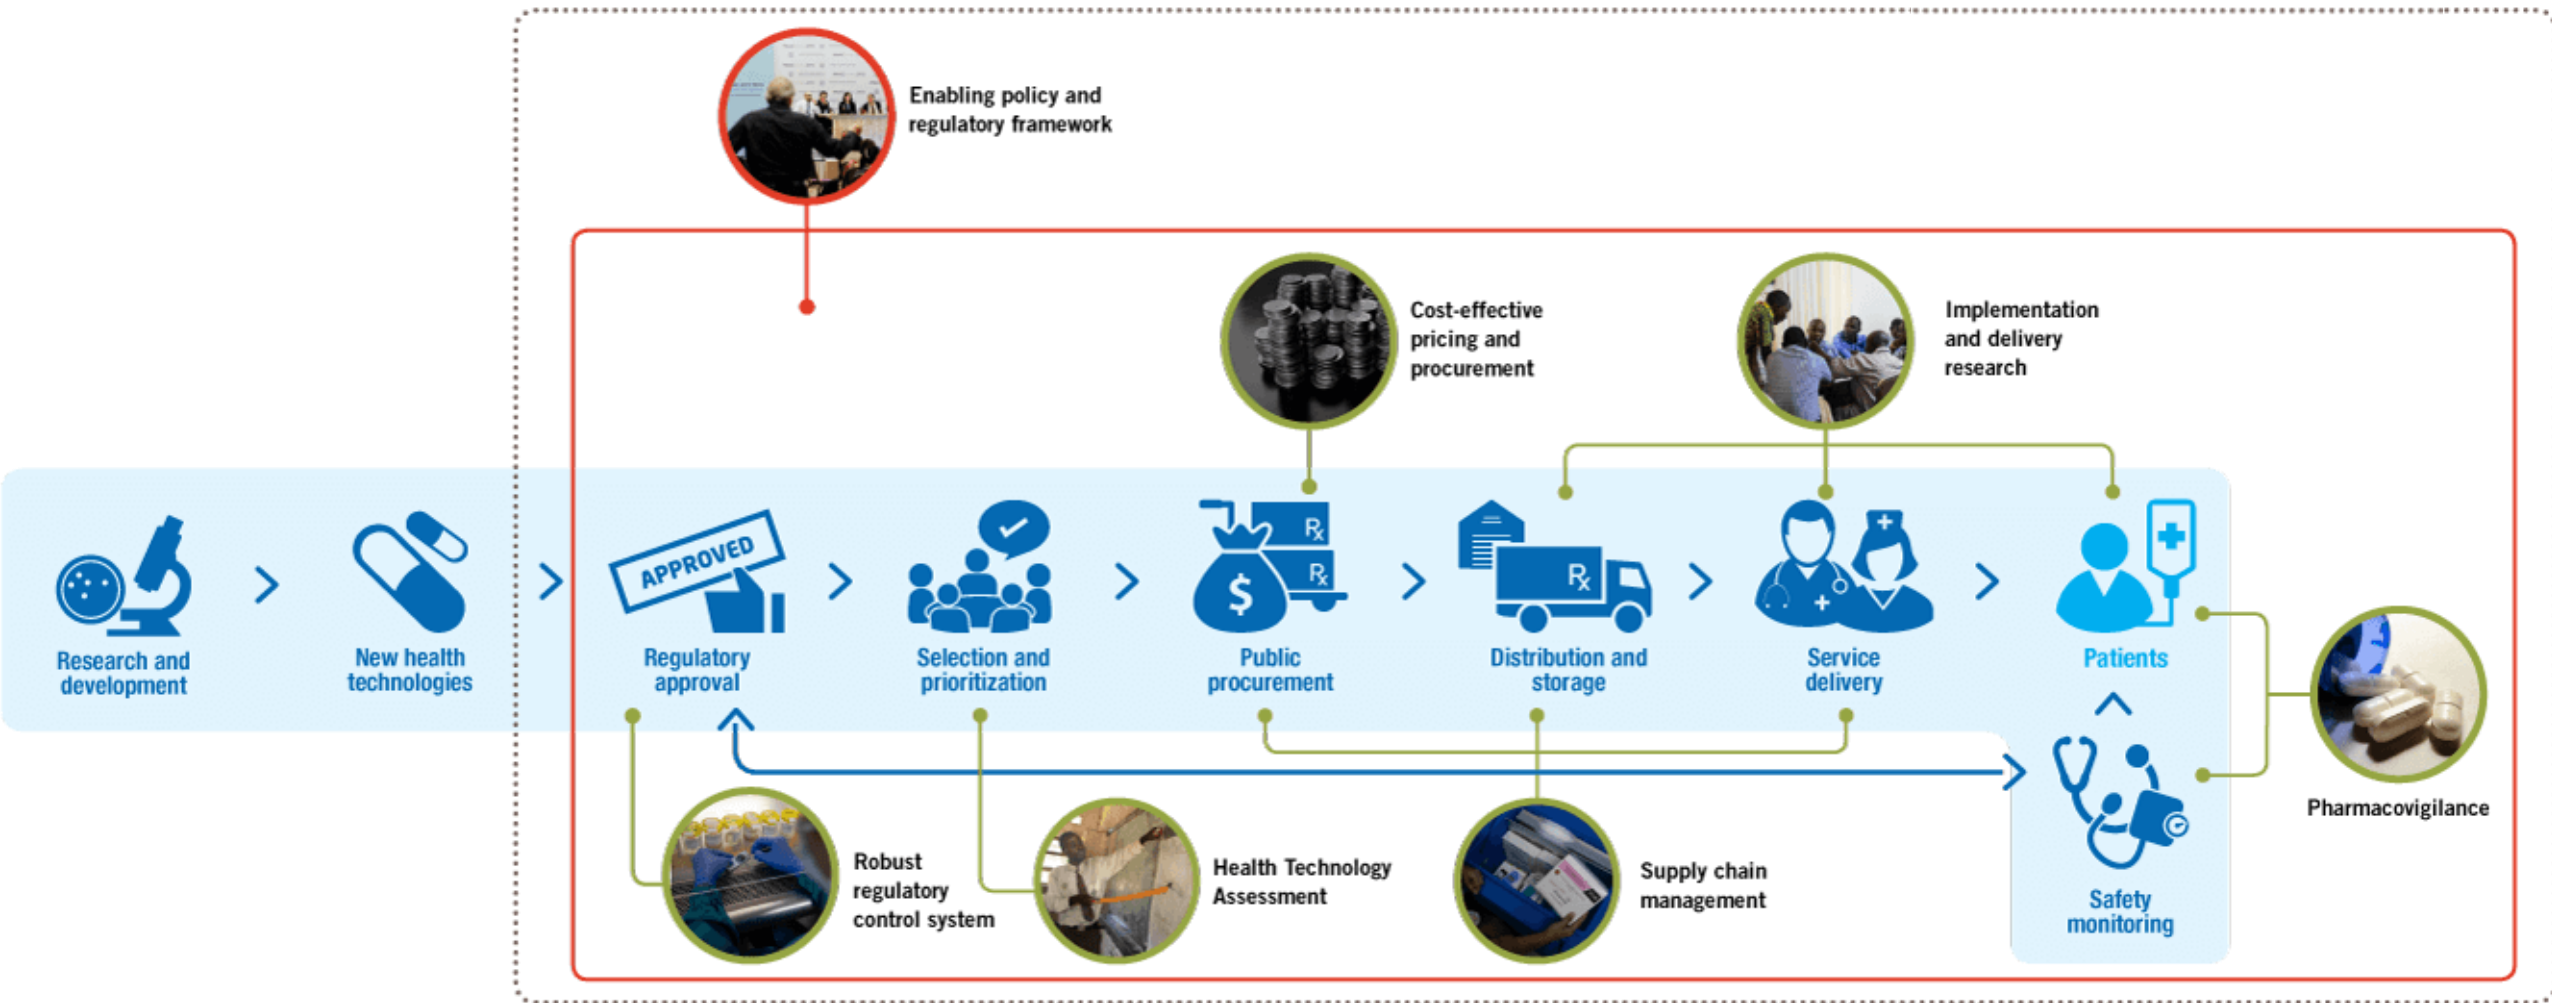

(UNDP, WHO, TDR, PATH)

**Knowledge, Learning and
Development Partner**

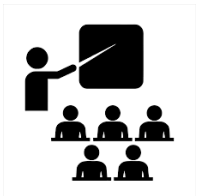

ADP's goal is to strengthen the capacity of several institutions and mechanisms to improve access to health products

Empower is working with MoH Ghana and ADP Partners to deliver continuous, on-the-job learning at large-scale by leveraging the Big Learning Platform

G H ★ N A | SUPPLY CHAIN
